Kindness in Chalk

Thank you to all of the parents and students who decorated our school to begin National Bullying Awareness Month. For the past four years, the PWT has brought together families and community members to draw messages about kindness in chalk throughout our school campus. These inspirational messages are a wonderful way to share with our students how their acts of kindness can make our school a safer and more peaceful place.

Halloween Costumes

This year, students at HHES will be permitted to wear **school-appropriate** Halloween costumes to school on October 31. We look forward to seeing our students' creativity expressed in this fun manner. To make our school day productive and safe for all, please ensure that your child's costume meets the following guidelines:

1. Costumes, including all make-up and accessories, need to be put on at home. Students will be wearing their costumes all day.
2. Weapons or weapon-like accessories are not permitted at school.
3. Students are not permitted to wear masks or to cover their face during the school day.
4. All costumes should comply with the school dress code.

Thank you for your support in making this a fun-filled day of learning for all students!
