Safety Patrol

Recently HHES started a new safety patrol program. Fifth grade students who applied to be a part of the safety patrol team were provided with special training. Two weeks ago, the students began working in our parking lot and crosswalks to help students and families safely navigate the campus. If you see our hard-working safety patrol students, please be sure to give them a wave and a smile for all of their hard work. If you have a fifth grade student who is interested in joining the safety patrol, please have them complete an application (which can be found on Schoology) and return the application to the office.
