Principal's Corner

This month, we will be hosting spring parent-teacher conferences (see below). Conferences provide us with an opportunity to share our observations about your child's social and academic progress. Conferences also provide you with a chance to get any questions that you may have answered by your child's teacher. As you know, home-school communication is key in helping every child to succeed. Please take a few moments to schedule a spring conference with your child's teacher. Should you have any questions about scheduling a conference, please give our office a call at 360-448-6430. We would be happy to assist you in finding a time.

Run for the Arts

Today, your child is bringing home information about our upcoming Run for the Arts. The Run for the Arts funds art supplies, classroom field trips, and artists in residence for all students. Your child can collect pledges for this event to help support the arts at HHES. Pledge forms are due on March 23. We will have our run event on April 7. All pledges should be collected and returned to school (or submitted online) by April 24. Thank you for helping to support the arts and encouraging your child to run!
