

HORNET HERALD

Run for the Arts

On May 18, all Hockinson students participated in Run for the Arts. Students who are raising funds for our school will be bringing home their Run for the Arts packets. Everyone can still get additional sponsors. All collected funds are due back to the school office on May 3. Please remember to mark your child's t-shirt size, if they have earned 30 or more points, and that every child who completes 3 laps will get a color-changing pencil. Thank you for supporting Run for the Arts at HHES. Funds raised are used for art and music supplies, classroom enrichment activities, and field trips.

State Testing Schedule

Students in grades 3-5 will soon participate in state testing. Each student will complete two tests in both English Language Arts and Mathematics. For each subject, students will complete a computer adaptive test (CAT) and a performance task (PT). Fifth grade students will also take the Washington Comprehensive Assessment of Science.

Parents play an important part in helping their student to show what they know on the state assessment. To support your student, please ensure that your child gets adequate rest, eats a healthy breakfast, arrives at school on time, and does not miss a scheduled test day, unless they are sick. You can help put your child at ease by encouraging them to take their time and do their best and by reminding them that this assessment is just one measure of their success. At school, students have prepared for state assessments through their classroom instruction and by participating in practice exams and familiarizing themselves with the online test tools.

The test schedule for each grade is listed below.

Grade 3: English Language Arts – May 7 and 13, Mathematics – May 16 and 22

Grade 4: English Language Arts – May 2 and 8, Mathematics – May 14 and 20

Grade 5: Science – May 1, English Language Arts – May 6 and 9, Mathematics – May 15 and 21

Make up testing: May 10, 17, 23, 25, 28, 29, and 30

Please note that if your child has special testing accommodations, they may complete their tests on a different schedule that of their class.

Should you have any questions, please contact Meredith Gannon at 360-448-6430.

Thank you, HHES Community!

We greatly appreciate all of the kind thoughts that were sent our way over the past two weeks by our families and community members as we mourn the loss of second grade teacher Michelle Staley. We are all honored to be a part of the caring Hockinson community.
